 - b. Access and MedNetwork Cards are ready (including pocket calendars and member handbooks). The MedNetwork Cards do not have to be activated. The website is under construction – use the phone number listed. You MUST be a PEEHIP member. It covers your spouse and children. You will not be charged a copay. This goes live November 1.
 - c. PEEHIP lawsuit – the judge ruled that we are owed our money, however a stay has been granted so nothing is happening with this right now.
 - d. Recruiters – the retired recruiters are finished going out to individual schools – please help out at your school.
- VIII. Member Concerns
 - a. Amy Vail from TCHS – Keypads at school only work until 7pm – can we have this time extended? Also, key/lock changes create problems/safety issues when teachers need access to doors they don't have keys to.
 - b. Maria Wright – Are AP teachers supposed to be teaching 2 periods long? Should they be given an additional prep?
 - c. Several teachers are concerned about losing prep times (required: minimum 30 minutes a day free of instructional or supervisory duties) as well as being required to complete tasks that are not part of our job. William Tunnell asked that members document examples of both so we have specific examples.
- IX. Door prizes were given away!
- X. Next meeting is scheduled for October 26
- XI. Adjourned @ 4:55pm

Minutes respectfully submitted by Carolyn Rose, TCEA Executive Board Secretary.
